

Retrospective Sprint 1

Attendees

- Product Owner (Optional)
 - Leif
- Scrum Master
 - Christian
- Development Team
 - Maximilian
 - Shawn
 - Andreas
 - Colin

What went well

- The presentation of our progress was well done

What went not so well

- Do not present technical details that are too complex for stakeholders during the Sprint Review
- The Requirement List was not properly communicated
- We did not prepare for the Sprint Review well in advance
